

# KSER - Seymour - Freeman Muni

---

## Airport details

|             |                          |
|-------------|--------------------------|
| State       | Indiana                  |
| Country     | United States of America |
| Region      | K5                       |
| Elevation   | 583ft (178m)             |
| Timezone    | GMT -5                   |
| Coordinates | 38.92470, -85.90836      |
| Type        | land                     |
| ICAO code   | KSER                     |
| IATA code   | SER                      |
| FAA code    | SER                      |

## Runway info

|                        |                         |
|------------------------|-------------------------|
| Runway 5 / 23          |                         |
| length                 | 2126m (6975ft)          |
| bearing                | 51° / 231°              |
| width                  | 30m (100ft)             |
| surface                | asphalt                 |
| displacement threshold | 0m (0ft) / 299m (981ft) |
| Runway 09 / 27         |                         |
| length                 | 334m (1096ft)           |
| bearing                | 89° / 269°              |
| width                  | 30m (100ft)             |
| surface                | grass                   |
| Runway 14 / 32         |                         |
| length                 | 1678m (5505ft)          |
| bearing                | 127° / 307°             |
| width                  | 30m (100ft)             |
| surface                | asphalt                 |
| Runway 18 / 36         |                         |
| length                 | 371m (1217ft)           |
| bearing                | 179° / 359°             |
| width                  | 30m (100ft)             |
| surface                | grass                   |
