---

## Airport details

|             |  |
|-------------|--|
| State       | Peloponnese, Western Greece and the Ioni |
| Country     | Greece                                   |
| Region      | LG                                       |
| Elevation   | 11ft (3m)                                |
| Timezone    | GMT +2                                   |
| Coordinates | 38.92632, 20.78071                       |
| Type        | land                                     |
| ICAO code   | LGPZ                                     |
| IATA code   | PVK                                      |
| FAA code    | n/a                                      |

## Runway info

|                        |                             |
|------------------------|-----------------------------|
| Runway 07R / 25L       |                             |
| length                 | 2536m (8320ft)              |
| bearing                | 73° / 253°                  |
| width                  | 30m (98ft)                  |
| surface                | asphalt                     |
| blast zone             | 255m (837ft) / 183m (600ft) |
| Runway 07L / 25R       |                             |
| length                 | 2862m (9390ft)              |
| bearing                | 73° / 253°                  |
| width                  | 45m (148ft)                 |
| surface                | asphalt                     |
| displacement threshold | 0m (0ft) / 142m (466ft)     |
| blast zone             | 24m (79ft) / 110m (361ft)   |
